Pearls from the Tradition of Prophet Mohammed (SAW)

Acquire knowledge for it enables its possessor to distinguish what is forbidden from what is not:

It lights the way to Heaven:

It is our friend in the desert:

Our society in solitude:

Our companion when bereft of our friends:

It guides us to happiness:

It sustains us in misery:

It is our ornament in the company of friends:

It serves us as an armour against our enemies:

INVOCATION

Praise be to Allah, Lord of the Worlds,
The Beneficent, the Merciful,
Owner of the Day of Judgement,
Thee alone we serve,
Thee alone we ask for help,
Show us the straight path,
The path of those, whom Thou hast favoured,
Not the path of those who earn Thine anger,
Nor of those who go astray.

A'ameen!

THE CREST OF THE COLLEGE

The Crest consists of a ring bearing the name of the college, a scroll on which is written a verse in Arabic, an open book and behind it a glowing torch.

The scroll showing the verse in Arabic stands for humility which is the hallmark of a true scholar. The verse when rendered in English would mean:

A true scholar owes all the knowledge he has acquired to Almighty Allah, the Most Beneficent and the Most Merciful and says nothing is his/hers. He humbly admits that only God, his Maker is perfect in knowledge and wisdom. (Verse 1:31) He knows only God is the Alpha and Omega of knowledge/

The open book in the middle stands for faith in the holy book of Quran that guides the scholar aright and shows him/her the right road to taken or trodden. The open book also stands for Education and wisdom.

The effulgent flame of the glowing torch at the top of the crest represents the right knowledge acquired through education coupled with faith. The Scholar uses it to destroy or dispel the detestable darkness of ignorance in him/her and also in others who come into contact with him/her. It is like the guiding pole star for the scholars.

In fine, the crest of the college stands for true learning and selfless service.
