

## BEST PRACTICE -II

### 1. Title of the Best Practice : INSTITUTIONAL SCHOLARSHIPS FOR DESERVING STUDENTS

The Mission of this college is to uplift society by providing quality education at an affordable cost. Most of the students are financially downtrodden. The income of the parents is low. So, The Management of the Institution offers management scholarships for graduate and postgraduate students.

### 2. Objectives of the Practice:

Every year, the institution provides a large amount of financial assistance for deserving students, and the financial aid needed in their academics.

The following objective of this practice:

- ❖ To fulfill the aim of the institution.
- ❖ To help the poor financially downtrodden people.
- ❖ To financially support all deserving students without any other minority or caste.
- ❖ Provide financial assistance to the needful students who are financially weak to save them from discontinuing their studies.
- ❖ To motivate students by providing financial assistance in proficiency of cash prizes to scholar students.
- ❖ To make every student a socially responsible citizen.
- ❖ To motivate the economically downtrodden students.

### 3. The Context:

The institution affords education to all as it extends a helping hand to weaker section students in society to become graduates and post-graduates.

The institution bestows scholarships such as the chairman scholarship for the students who studied in our sister concern, Children of our faculty, Academic Merit Scholarship, Single parent children, all community federation scholarships, Siblings, and Sports quota.

The institution encourages and motivates students to secure high grades to avail of institutional scholarships. The college helps to enhance the student's learning ability, so they can concentrate on their studies without worrying about financial matters.

The institution offers financial assistance to class toppers and merit students.

### 4. The Practice:

Since the inception of this institution, the college management proactively supported from a humble background. The college has taken a firm resolve to extend all possible financial support to the deserving, needful students and help them to realize their dream of acquiring higher education.

The institution aims at providing financial assistance to the poor or needful at the same time to the students who are excellent in their respective fields such as academic, co-curricular, extra-curricular, Extension, and sports.

The students are informed through notices displayed on the notice board, in digital mode, and circulated in the classrooms.

The institution helps them avail different types of scholarship programs and special committees for the student's welfare are formed for the same. Students finding any difficulties can approach to the concerned convenor and the issues are resolved to its best extent.
